### NOTES TO THIS CALENDAR

This calendar is correct as of 1 January 2010. Any changes will be notified.

Services and Rehearsals with boxes around them are very important and it is expected that all members of the choir will attend these.

Please note that some services in the next months will be sung by the Junior Choir alone. These have been included in this calendar for your information.

Please notify the Director of Music of any forthcoming absences with as much notice as is possible.

Any absences from special (highlighted) services or rehearsals will have to be discussed with the Director of Music.
