ST. MARY'S PRIORY CHURCH

NOTES TO THIS CALENDAR

This calendar is correct as of 1 January 2010. Any changes will be notified.

Services and Rehearsals with boxes around them are very important and it is expected that all members of the choir will attend these.

Please note that some services in this term will be sung by the Junior Choir alone.

Punctuality The times given are the start times of the rehearsal, not the time choristers should arrive. Before they begin rehearsing, choristers need to get their music together and make any necessary trips to the bathroom. On Sundays choristers must also put on their cassock before rehearsing. Arriving ten minutes before rehearsal would allow them to get themselves organised.

Attendance The newest choristers spend two or three terms as probationers before becoming full choristers. During this time, we ask for a minimum commitment of two rehearsals and one service per month. I would encourage all probationers to do more than that, as they will improve more quickly and become a full chorister sooner.

All full choristers should attend all rehearsals and services. Exceptions will only be made after discussion between the Director of Music and the chorister's parents. All choristers are expected to be present at the special services that have been highlighted on the choir calendar, Especially between Advent and Christmas, Holy Week and Easter.

Please notify the Director of Music of any forthcoming absences, in writing, with as much notice as is possible.

Any absences from special (highlighted) services or rehearsals will have to be discussed with the Director of Music.

Choir Club runs on Thursdays, and is open from 6pm. Time will be given for playing games etc on days when there are long rehearsals, as shown on the calendar. Please do bring games that can be played during this time.

Thursday 7 January
